

PRIVACY POLICY

Fenabel Indústria de Mobiliário Lda is committed to protecting its customers' privacy, contacts, suppliers and/or partners and in compliance with all applicable data protection and privacy laws. This presented Privacy Policy intends to provide all information about the handling of all personal data. For the purposes of this Policy, "personal data" means information related to an individual (or a natural person) that makes him or her identifiable and / or identifiable. This policy applies to the processing of the user's personal data only in those cases in which Fenabel - Indústria de Mobiliário Lda is responsible for the treatment thereof or in any case where reference to the applicability of this Policy.

PERSONAL INFORMATION

When you visit our website, we will not collect any Personal Information about you (including your name, address, telephone number, social security number, billing and shipping information, credit card information or email) who voluntarily offers it through the contact form, requesting data to the site's user or requesting quotations online.

By using one of the above items on our site, you agree to accept the terms and conditions of our current Privacy Policy, as explained in this section.

RESPONSIBLE FOR THE TREATMENT

Fenabel Indústria de Mobiliário, Lda complying with the provisions of the General Regulation on Data Protection has, in its structure, a Data Protection Officer and its primary function is to inform and advise all parties regarding their obligations under the applicable legislation.

Fenabel has appointed a person responsible for the processing of the data supplied to Fenabel and duly authorized, which can be contacted by letter to Fenabel Indústria de Mobiliário Lda, Rua das Fontainhas 162,4585-426 Rebordosa Paredes, Porto, Portugal.

PROCESSING OF PERSONAL DATA

Fenabel provides users with the appropriate technical resources so that, prior to accessing this Privacy Policy, they can give their consent to the automatic processing of their personal data. Regarding the online data collection forms of the Website, except in the fields indicated otherwise, the answers to questions about personal data are voluntary, without the lack of a challenge implying a loss in the quality or quantity of the corresponding services, unless to state otherwise.

The user guarantees that the personal data provided is true and will be responsible to inform Fenabel of any changes.

Fenabel must inform you that your personal data will be entered into an automated personal data file created and managed by Fenabel and under its responsibility, in order to be able to answer your queries, requests for quotation, orders, as well as to send you information about our products, services and events.

Fenabel will use them, exclusively, for the indicated purposes.

SAFETY

Fenabel undertakes to treat your Personal Information with maximum privacy, confidentiality and security. Through strict security measures applied to automated files containing personal data, Fenabel protects your personal data from loss, misuse, unauthorized access, alteration and destruction, with all the technical means at its disposal.
