# Fenabel Debuts Its First Edition of **2025 New Models**

**fenabel**  
the heart of seating

## New Collections, Refined Craftsmanship, and Elevated Design for Modern Spaces

---

Fenabel, a leading name in Portuguese chair craftsmanship, proudly presents its **First Edition 2025 Legacy Catalogue**, a tribute to artisanal heritage, innovation, and timeless aesthetics. With a distinct focus on form, functionality, and cultural resonance, the new catalogue supplement introduces **exclusive chair collections** designed for both contract and hospitality interior spaces. From sculptural inspirations to Nordic minimalism, this launch reaffirms Fenabel's position as a global reference in contemporary seating solutions.

NEW MODEL HIGHLIGHT

## Roma Lounge Chair

At the heart of the Roma collection, designed by **Archirivolto** for **Fenabel**, is the **Roma Lounge Chair** — a statement piece that embodies comfort, softness, and refined design. With its enveloping upholstered shell, generous proportions, and sculptural wooden base, the Roma lounge is crafted to bring warmth and sophistication to hospitality and contract interiors.

Part of a broader collection that includes a side chair and two armchair variations, the lounge version stands out for its **relaxed posture and inviting silhouette**, making it ideal for hotel lobbies, lounges, and guest rooms where design and comfort meet.

# Baobab Collection

by **Pablo Regaño**

Inspired by the organic strength of the iconic African tree, the **Baobab Collection** merges sculptural forms with natural simplicity. Each piece evokes rootedness, balance, and bold design statements.

# Celle Collection

by Pablo Regaño

With a nod to the geometric harmony of Celle, Germany, this collection reflects architectural rhythm and human-centered design. Its structured, inviting forms make it a perfect fit for elevated contract environments.

## Summary

The **Legacy Catalogue 2025** reflects Fenabel's commitment to blending Portuguese heritage with global design trends. Whether through sculptural forms like **Baobab**, architectural symmetry like **Celle**, or minimalist refinement in **Cania** and **Nebula**, each collection tells a story of cultural insight, material mastery, and design excellence.

With this release, Fenabel invites architects, designers, and hospitality partners to explore new seating narratives that go beyond function — offering **movements of pure elegance**.
